

SURVEY DEPARTMENT

CIZA (Mudiria).

EGYPT

May 31, 1908.

Sir,

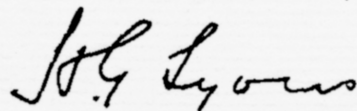

In reply to your letter of February 3, I have to state that the three co-ordinatographs which are in use in this Department have proved most satisfactory and have greatly facilitated the rapid and accurate work which has been necessary to complete the Cadastral Survey of this country.

A full account of the use of these instruments will be given in the report on the Cadastral Survey of Egypt which will be published in the autumn.

I have the honour to be,

Sir,

Your obedient servant,

D.Sc., F.R.S.,

DIRECTOR-GENERAL.

To Mr. G. Coradi,  
Mathematisch-mechanisches Institut,  
Z U R I C H.
